

Financial VISIONS LocalSubmit

Help New Clients Find You Online. Quickly Get Inbound Links.

- Submits your website address, company information, and keyword-rich content to dozens of the major local Internet directories
- Quickly establishes inbound links from high-traffic sites which helps your overall search engine rankings
- Continues to resubmit the data on a monthly basis
- Helps people find you when they are searching for local services in your own community
- Ensures accuracy of the information in the directories
- Allows for updates if your company information changes such as a new address or additional products and services

A leading provider of website services to the insurance and financial industry. Endorsed by NAIFA and IARFC. Cooperative relationships with many brokers/dealers and carriers. The most comprehensive, affordable website service available.

Just \$89 set-up and \$5/month added to your monthly website hosting fee.

It's not enough to simply have a website. After you're in the local directories, learn more in our FREE Internet marketing webinars.

"Just a note of appreciation for your good work. I really enjoyed your seminar. I am staggered at how different web marketing is."

"I found it very informative."

"Thank you for teaching this. It was very helpful."

No Website Yet?

Attend one of our webinars that explains how to easily set up a site, and the benefits for your business.
